I did DNA 2006/07 at 3 Counties Church, in Haslemere. It was the first time that Haslemere had any DNAers but fortunately not the last!

Over the year, God taught me all sorts of things, but the biggest thing that impacted me was the truth of who God is and who I am in Him. This has been something I've continued and will continue to learn for as long as I'm able. This year I'm doing OnLine in my work place, Guildford YMCA. My role there is to coordinate our youth café, Plantation, which is open to young people between 13-25, 6 days a week.

My study project title is "What does church look like in Plantation café?" This project is something I'm very excited and passionate about exploring, although I'm not sure what the answers are yet, I'm looking forward to what God is going to reveal and do through this time.
